Subject: Re: parking on the Automotion site
Date: Thursday, January 16, 2014 9:13:41 PM

Because of our close relationship with Giroux's (past members) they allow us to use their property across from the fire station any time we need extra space for parking and also fire training. While it isn't frequent, maybe 10 times a year when we do need it it's very important to us.
