February 6, 2013

Dear Hinesburg Selectboard,

Champlain Housing Trust and Housing Vermont are working with Milot Realty on a proposal to bring 21 units of affordable housing to Hinesburg. These plans are in the conceptual stage but we all are very excited about this project. Both groups have petitioned the Town to apply for a Vermont Community Development Program pass-thru grant on their behalf for partial funding of this project.

We hope the Selectboard will honor this request to apply for VCDP funding for this project. We look forward to the time when there is adequate affordable housing in Hinesburg.

Sincerely,

Rody Martin
