Hi Renae;

Per a letter from Peter Erb on 7/14/2014, regarding a refund or an extension on our garage permit.

As you know we have been unable to erect our garage due to the severe water problem since the town put the sidewalk in.

His letter stated that he (Peter) has spoken to you regarding these circumstances.

Peter's letter also suggested you are willing to present our situation to the select board.

Thank you Renae for all your help during your time as Town Administrator. You will be truely missed.

Sincerely

Chuck and Laura Barrows
