Town of Hinesburg
Selectboard
Hinesburg, VT 05461

Dear Selectmen,

By deed of road to the Town of Hinesburg at the landfill the following conditions will be considered:

1. Present road to landfill from North Road will be given to the Town. This will have a 60' wide right-of-way.

2. A 60' wide right-of-way on the north border, the distance from the road to the landfill, to the west end of the landfill will be given to the town with the following considerations.

    1) The road will be built to town standards and material for the road, gravel and necessary fill material to be supplied by the town and to be installed by the Goodrich Construction Company. This road will be made to a minimum of Class 3 and will be adopted as a proper town road.

    2) A turn-around to be provided at west end.

    3) The cost of the survey and map to be paid by the town.

    4) The cost of the deed to be paid by the town.
