Weekly Updates from Departments:

Hinesburg Community Police

- *Family Fight* – On Wednesday, November 5th a female came to the office to report that she had been in an altercation with her boyfriend at their residence in Sunset Mobile Home Park. She was requesting to be accompanied back to retrieve some personal property. She was escorted back and was able to remove property without incident.
- *Criminal DLS* – On Friday, November 7th, an officer stopped a vehicle for the license plates not coming back to the vehicle. It was determined that the 49 year old female from Starksboro was driving with a Criminally Suspended operator's license. She was arrested and taken to the station for processing.
- *Criminal DLS* – On Saturday, November 8th, an officer stopped a vehicle for speeding in St. George. A check of the driver indicated that the 48 year old male from Starksboro was driving with a Criminally Suspended operator's license. The operator was cited into court.
- *Animal Problem* – On Sunday, November 9th, an officer responded to Richmond Rd. and Magee Hill Rd. for a reported cow in the road. Upon arrival, a male was present holding the cow with a leash on Magee Hill Rd. The man who found the cow on Richmond Rd. was able to move it off the road. The man's wife was able to contact the owner who was then able to "walk" the cow home on the leash. Thanks to the citizen for the assistance. Having worked Cow vs. Vehicle accidents in the past, it does not go well for the vehicle and doesn't do the cow any good either.

Town Clerk & Treasurer

- *Property Taxes* - Property taxes are due on November 17, 2014 by midnight. We don't come in to check the drop box at midnight, so for practical purposes anything that we have received by the time we arrive for work on the 18th will be considered timely. The best advice, of course, is not to wait until the last day!!!! Come in on Thursday or Friday and then you can sleep easy over the weekend knowing you don't need to worry about forgetting. Any cash payments should be brought in with the exact amount due or we may be unable to give you any change. See you all in November!!

Weekly Updates from Boards, Committees, and Commissions:

Development Review Board

Upcoming application(s) for DRB Review:

- *Loren Palmer: The applicant is requesting a revision to a previously approved subdivision for the purpose of relocating the wastewater easement from Lot 1 to Lot 2 of the Palmer subdivision in the Agricultural Zoning District. Property Location: 2693 Shelburne Falls Road - This application is scheduled for the November 18th DRB meeting.*
- *Craig Martin/Neville Companies - Conditional Use Review for the demolition of a pre-1940 accessory structure. Property Location: 10750 VT Route 116 in the Village Zoning District - This application is scheduled for the November 18th DRB meeting.*
- *Town of Hinesburg/Haystack Crossing LLC - 2-lot Subdivision Final Plat, Site Plan, Conditional Use for Development in a Flood Hazard Area and Conditional Use for Development in a Stream Buffer - The Town of Hinesburg and Haystack Crossing LLC have a proposal for a recreational field area. The reviews necessary include: 2-lot subdivision final plat, site plan, conditional use for development in a flood hazard area and conditional use for development in a stream buffer. Property Location: located on the west side of Route 116 and the south side of Shelburne Falls Road in the Agricultural Zoning District. This application is scheduled for the November 18th DRB meeting.*
- *Hinesburg Center LLC (Phase II) – Sketch Plan - Hinesburg Center Phase II is a planned expansion of the existing Hinesburg Center Phase I, a mixed-use development at Vermont Route 116 and Farmall Drive in the Village of Hinesburg. Hinesburg Center II is bound by Patrick Brook and the associated stream buffer to the north, the Creekside neighborhood to the South, and Hinesburg Center I to the east. The Project is bordered to the west by the growth boundary for the village area, although the Project parcel continues into the agricultural zone. Currently the parcel is maintained as an open hay field. This project proposes 18 single-family residential units, 13 single-family attached units and 43 multi-family units consisting of residential buildings and mixed-use buildings. This application is scheduled for the December 16th DRB meeting.*
