OTHER NEWS

- *Summer Reading Program (All Ages)* - Another great summer of reading is in the forecast! The Carpenter-Carse Library joins libraries across the state as they launch the 2015 Summer Reading Program with the theme "Every Hero has a Story." In a cooperative effort, librarians nationwide contributed to the summer program guide, resulting in lots of high-quality reading program materials and ideas. Over the past several months, Sara and Judy have been busy using these tools and their own imaginations to create tons of summer fun.

Children of all ages can set a goal for the number of books they wish to read during the summer and then record each title on an "Every Hero has a Story" reading record as they finish each book. Pre-readers may record books read to them.

The reading program begins May 26th and runs through August 31st. Registration begins Tuesday, May 26th at the library. When parents and children stop by the

library to register, they will receive a reading record, stickers, and a bookmark. Once children complete their summer reading log they can come into the library for a special certificate.

- *Summer Reading Club (for ages 6 -10)* - Be a hero and join the Summer Reading Club (to complement the S.R.P). Sara and Judy will host six weeks of active fun. This club will meet for five consecutive Wednesdays beginning June 24th from 10:30 – noon, and the final week will be on a *Thursday*; July 30th. Registration begins Tuesday, May 26th at the library. Space is limited and separate registration is required for each individual program so stop in early. We are delighted to present a variety of fun activities and plenty of exciting entertainment. A sneak preview includes special guests from VINS (Vermont Institute of Natural Sciences), cartoonist Eric Cram, and Kristen Littlefield from Wildthings! Nature Program. This is just a sampling of the fun. For a complete schedule, visit the library, check out the next Hinesburg Record, or visit www.carpentercarselibrary.org. We hope to see you this summer!

Town Administrator

- *Highway Garage Replacement* - The Town continues to explore options to replace the old and inefficient highway garage. The time-lapse video shown on the Highway Garage web page (see link below) shows some of the safety and operational challenges faced by the Highway crew each day. The replacement of our current structure has been an identified need for the past two decades and the time has come to address it.

Continue to watch the website for more information on the project as it takes shape throughout the coming year. <http://hinesburg.org/highway/town-garage/>
