Disclaimer:
 The accuracy of information presented is determined by its sources. Errors and omissions may exist. Questions of on-the-ground location can be resolved by site inspections and/or surveys by a registered surveyor. This map is not sufficient for delineation of features on-the-ground. This map identifies the presence of features, and may indicate relationships between features, but is not a replacement for surveyed information or engineering studies.

Note - This map does NOT depict the Champlain Water District's source water protection area (SPA), which includes the Laplatte watershed in Hinesburg. Zone 2 of this SPA includes areas within 200' of perennial waters in the watershed. Zone 3 includes the remaining watershed.
