Approval of Minutes

The minutes of May 11, 2009 were approved.

Visit from Peter Erb

Peter Erb joined us to share information and figure out how we can work together. We spoke with Peter about how to move the Greenspace Plan forward and came up with some constructive ways of working together to get the plan to the Planning Commission.

Greenspace Plan

We discussed the remaining items to fix in the Greenspace Plan. We discussed the Large Habitat Project and whether to get involved. All agreed that we needed to invite Jesse Mohr to talk to us at a future meeting. We discussed the ecological resources map and Dave's proposed revisions to it.

Brian Schupe was hired to draw up options for rural zoning, based on the Norwich model.

The meeting was adjourned at 8:55 PM.
