

# **HINESBURG CONSERVATION COMMISSION**

---

*Dave Hirth, Melissa Levy (Chair),  
Bill Marks, Nancy Plunkett*

## *MINUTES of March 8, 2010*

The regular meeting of the Hinesburg Conservation Commission (HCC) was called to order at 7:05 pm on March 8, 2010 via GoToMeeting by Melissa Levy.

**Present:** Melissa Levy, Bill Marks, Nancy Plunkett

**Absent:** Dave Hirth

### ***Greenspace Plan***

Melissa will check with Alex and Peter on the status of their review.

### ***Wetlands Mapping***

Melissa provided Dave's update on the wetland mapping project. Jesse Mohr thought that Hinesburg is too hilly for an aerial survey. Dave will get in touch with the Center for Vermont Eco-Studies regarding funding for wetland projects. Melissa will check in with Monique Gilbert of Jericho, who is or will be working with the Center. Nancy noted that in the March 5 Town Friday Report Alex mentioned meeting with UVM students working on a vernal pool mapping project. She will check with Dave to see if he knows anything about the group.

### ***Gepregs Park Management Plan***

The initial draft/outline of the plan was discussed. A section on wildlife will be added with Dave's assistance and with information from Mark LaBarr's birding study for the Audubon Center. Melissa asked that suggestions for changes to the draft be e-mailed to her.

### ***Other Business***

Bill mentioned that the Association of Vermont Conservation Commissions is holding their annual meeting April 17 at Vermont Technical College, which is a Saturday. The HCC can pay for someone to go. Melissa asked if anyone wants to go, to let her know.

Due to technical difficulties, the meeting was adjourned at 7:20 p.m.

Respectfully submitted by: Nancy Plunkett
