Committee Members Present: Rocky Martin, Julie Pierson, Andrea Brainard, and Dale Wernhoff

Also Present: Chuck Reiss, Reiss Building & Renovation

The meeting came to order at approximately 7:10 PM

Efficiency Vermont Mobile Home Efficiency Coach Program

Our grant proposal was sent to Efficiency Vermont. We should hear back from them by the beginning of January as to whether we'll get the grant or not. Carl also forwarded the proposal to HFI in the hopes of obtaining additional grant money from them. We reviewed the electrical data for the Mountain View Mobile Home Park residents as well as discussed their fuel usage, which is more involved.

Kinney Drugs/Creekside Development

The engineer for this project is looking for information on the water and sewer pipes installed by the Bissonette project to the north so they can integrate that information into their expansion plans.

Report to Select Board

Rocky's annual report to the Select Board went well. Rocky is going to provide a written description of the committee for the town report. He'll send the committee members a draft copy to review first.

The meeting was adjourned at approximately 8:40 PM

Next Meeting

January 2nd – Review Alan Norris' project on the south side of town.

Respectfully submitted,
Dale Wernhoff
