- Frank asks that we not over-burden HCS parents/contacts after the HNS Silent Auction and HCS Pancake Breakfast & basket fundraiser. He is concerned with too many fundraisers in town.

Bissonette Recreation Field Meeting January 31, 2013

- Jen reports on meeting with CSSU Buccaneers on January 31, 2013.
- Met with Buccs board and Tom Ayer.
- Buccaneers are eager to be involved with fundraising effort upon subdivision approval by DRB in late March / early April.
- An attorney from the organization agreed to put together an agreement – lease with Town.
- Project will conflict with CVU Turf fundraising effort.
- Enthusiasm and endorsement from Buccs is promising for this project to move forward.

Winter Carnival Recap

- Success on February 9 with volunteers and CVU Key Club students, but numbers and interest have dwindled. It is more of a HNS event.
- Perhaps time to take a break?
- Reminder – let people’s interest in an event be our cue to continue.

Summer Concert Series

- Tom reports Hart & Mead’s financial commitment for 2013 summer concert series.
- Jen reports the line-up is close to being completed.
- Frank suggests having Hinesburgh Public House “sponsor” the Hart & Mead Concerts in the Park with social media and possibly a banner.
- Tom wants to bring a performer or another event or theme to each performance.
- Food, vendors, activities, street performers, etc. have been successful.

Next Recreation Commission meeting is March 12, 2013.
