Meeting Minutes July 14, 2014

Members Present: Michael Buscher, Jeff French, Catherine Goldsmith, Mary Hurlie, Rolf Kielman, Jane Starkweather

Sat in on the Public sidewalk feasibility study that the Town is conducting with Resource Systems Group. Heard public comment and added our feedback on proposed sidewalks through Village.

The second item was a quick status of the Haystack Project. Jeff French presented the status of our opinion on the access road which the developer did include. DRB meeting on July 15th should close the deliberations on sketch. Unsure if we will know the outcome until a later date however.

Next meeting is tentatively planned for Aug 4th (first Monday of the month rather than the second).

Respectfully Submitted,
Jeff French
