AOT Project No: STP 2930 (1)

Paving Work Update: Monday, May 20, 2013

Crews have finished milling in Hinesburg Village. Thank you for your patience!

Paving crews were able to dodge the wet weather today and made some progress paving Route 116. They started out in Starksboro this morning and are working their way north to Hinesburg.

Due to the rainy weather forecast, paving is canceled for tomorrow, Tuesday, May 21, 2013.

Paving for the rest of the week will depend on the weather conditions.
