## Work Update

### Starksboro-Hinesburg (Route 116)

**AOT Project No: STP 2930 (1)**

**Mid-Week Update – June 4, 2013**

**SPEED ALERT** – Motorists traveling on the newly paved roadway need to be aware of their speed and use caution while driving through the project. There will be TWO construction packages set up between Hinesburg Village and Starksboro, both with alternating one-way traffic managed by traffic control personnel. Motorists will experience traffic delays.

Law enforcement will be present throughout the project to enforce the posted speed limits.

**PAVING CANCELED** – Paving for Route 116 in Hinesburg Village between Commerce Street north to Rocky Ridge Golf Course has been canceled for this week. The new paving schedule will be released in a few days. Thank you for your patience.

Guardrail and excavation work will continue between Starksboro Village and Hinesburg Village for the remainder of the week. Work will take place between the hours of 6:30am and 7:00pm most days.

**TRAFFIC DELAYS:** Travel will be reduced to alternating one-way travel around the guardrail and excavation construction packages. Traffic control personnel will be present to maintain traffic flow. **Motorists should anticipate delays while traveling through the project and plan accordingly. Please allow for extra time in your travel plans.**
