Work Update
Starksboro-Hinesburg (Route 116)
AOT Project No: STP 2930 (1)
Work Update

June 6, 2013

Guardrail and excavation work will continue between Hinesburg Sand & Gravel and Starksboro Village. Work will take place between the hours of 6:30am and 7:00pm most days.

Structure Work - The structure crew has finished adjusting structures in Starksboro Village and will now move into Hinesburg Village. Crews will be adjusting the height of the catch basins and manhole covers to meet the height of the final wearing course paving.

Work will start tomorrow morning between Silver Street and Friendship Lane at approximately 8:00 am. Once crews are finished there, they will move to the section of road between Mechanicsville Road and Charlotte Road and adjust those structures.

TRAFFIC DELAYS: Travel will be reduced to alternating one-way travel around the multiple construction packages. Traffic control personnel will be present to maintain traffic flow. **Motorists should anticipate delays while traveling through the project and plan accordingly. Please allow for extra time in your travel plans.**

Contact Francine Perkins, Public Relations Officer, FRP Enterprises, LLC with any questions or concerns with regards to the project at 802-479-6994 or for a more up to date schedule visit www.RoadWorkUpdates.com.
