Work Update
Starksboro-Hinesburg (Route 116)
AOT Project No: STP 2930 (1)
Mid-Week Update - June 12, 2013

Guardrail and excavation work will continue between Hinesburg Sand & Gravel and Starksboro Village. Work will take place between the hours of 6:30 a.m. and 7:00 p.m. most days.

Paving – Thursday, 6/13/13 - Crews are going to try to continue with the spot shimming and leveling course paving in Hinesburg on Route 116 between Commerce Street and the St. George Town Line. Paving may continue into Friday if the weather allows.

Paving is weather permitting. If work is canceled due to rain, paving will be rescheduled for another time. Work hours for paving will be from 7:00 a.m. to 7:00 p.m.

PAVING TRAFFIC DELAYS: Travel will be reduced to alternating one-way travel around the paving construction package. Traffic control personnel will be present to maintain traffic flow. **Motorists should anticipate LENGTHY delays while traveling through the project and plan accordingly. Please allow for extra time in your travel plans.**

Structure Work - Crews will be adjusting the height of the catch basins and manhole covers in Hinesburg on Route 116 between Silver Street and Charlotte Road. This work is weather dependent. This work will also require alternating one-way traffic. Flaggers will be present to assist in maintaining traffic flow.

Contact Francine Perkins, Public Relations Officer, FRP Enterprises, LLC with any questions or concerns with regards to the project at 802-479-6994 or for a more up to date schedule visit www.RoadWorkUpdates.com.
