Hinesburg Selectboard,

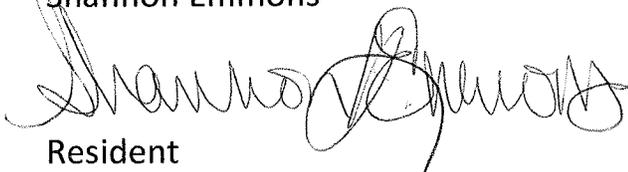

My name is Shannon Emmons. I was born in Iowa City, Iowa and lived there until I was 20. I moved to Vermont because I saw it as the best place to raise my children. In 1994 I met and married life time resident here in Hinesburg, Les Emmons. I know that the Emmons family had in the past helped with many things in our community. I have always preferred the small town life. It has been a pleasure living here and having my children grow up here.

I worked at Blasie's Country store in 1994 in the deli. I met and fed a good deal of people around town. From there I worked at CT Farm and Country as a Department Head managing others as well, Land Air Express in the billing offices, at Mobil in town, and worked 2 years at Hinesburg General doing a multitude of positions, leased a convince store in Leicester for 2 years, and have been lately volunteering as a coaches assistant for cheerleading at Mt. Abe High School.

My children have participated in Soccer, baseball and wrestling. I would have to say that the programs have progressed very well since they have participated. I would like to be a part of furthering the programs and input into the development of future of our children and town.

I am in a position at this time that I can devote my time to the community in which I live. I would proudly serve the Recreation Commission to the best of my ability. I would like to thank each and every one on the board for taking the time to consider my application.
