Subj: Letter of Interest, Hinesburg Town Forest Committee

Joe,

I am interested in becoming a member of the Hinesburg Town Forest Committee. I have been involved with the HTFC for the last year and a half as the committee worked through the HTF management Plan. I attended the HTF public hearings and have regularly attended the HTFC meetings for the last several months. I did provide some research, meeting participation and some legwork for the HTFC. I am satisfied that my input was received, considered and reflected in the final plan.

I have lived in Hinesburg since 1999. My property abuts the HTF on two sides so I have a personal interest in preserving and maintaining a healthy HTF. I understand and appreciate the diversity of use and users of this town resource and will work with all groups or individuals to understand their concerns and needs. I prefer to be inclusive rather than exclusive in matters concerning a public resource.

If you have any questions or need more information, you can contact me by email [seadog269@gmail.com](mailto:seadog269@gmail.com) , cell phone 578-3401 or by my home phone 482-5679.

Sincerely,  
Mike Potvin
