To: Town of Hinesburg
Select Board
Hinesburg, VT

Select Board Members,

I am applying for one of the positions that will be opening in January on the Town Forest Committee.

In the past 2-3 years I have attended a number of the committee meetings. I have attended almost all of the public comment forums that were held regarding the Hinesburg Town Forest Management Plan. I have also attended several of the Select Board meetings within the past year where the management plan was discussed and ultimately approved.

I have contributed at least 40 hours of my personal time to the maintenance and improvement of the trail network in the HTF.

As a close neighbor of the HTF and a frequent visitor to the trails, I have a vested interest in seeing to the implementation of the management plans for both the HTF and LHTF that the committee has spent many hours crafting. I see the plans as living documents that will need to be interpreted and possibly adapted to the future needs of all Hinesburg town residents.

As such, I am very interested in committing my personal time to this endeavor.

Sincerely,

Chris Haviland
