

# Hinesburg Trails Committee 2013 Work Plan

# High Priority

1. Construct and install entrance kiosks and signs for Russell and LHTF trail networks, and for Hayden Hill West Town Forest entry.
2. Finalize Russell St. Jude public access arrangements.
3. Complete storm clean up.  
(should be done by end of 2012).
4. Contract to replace main Russell trail bridge and correct erosion on south side of perimeter trail.
5. Install signs on Russell Trail.

# High Priority (continued)

6. Finalize trail easement for Parker property on Pond Brook Road.
7. Work with Town Administrator and Select Board to include bike/ped improvements in town road maintenance schedule and budget per "Complete Streets" legislation.
8. Update trail maps.
9. Update trails website and brochures.
10. Work with Town Forest Committee to assist in determining the future of trail use in Town Forest.

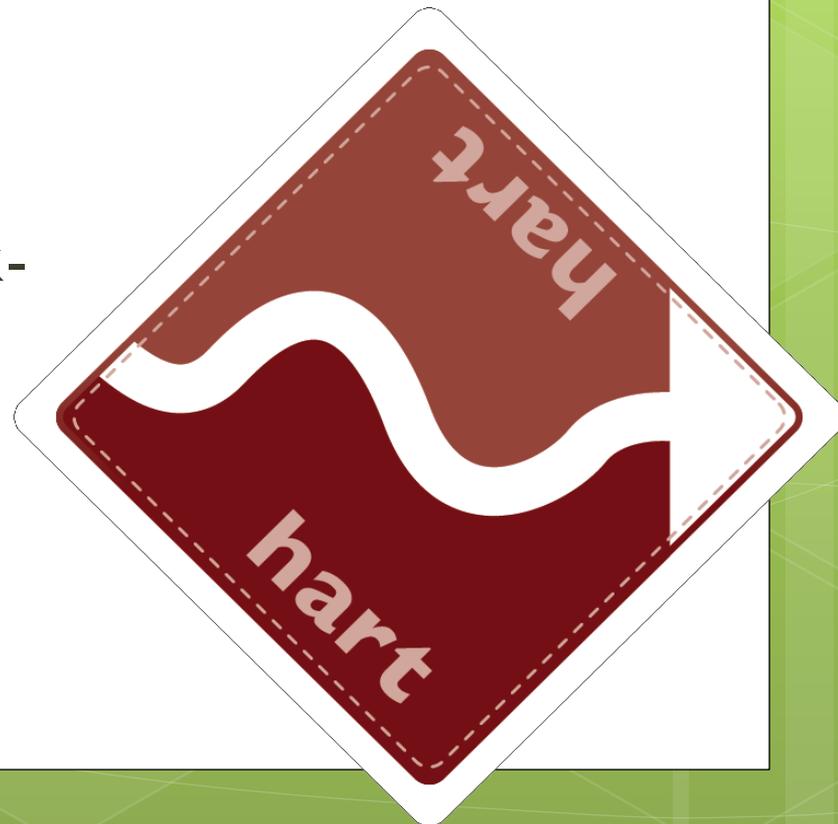

**ADVENTURES CLOSE  
TO HOME:  
A Trail Summary**

# Medium Priority

1. Actively recruit trail volunteers for each trail network and its trail "boss."
2. Complete north south connector trail in LHTF (Tufo→now Meath/Allen).
3. Replace painted blazes with plastic blazes in Lewis Creek-Copp Welsh and LHTF.
4. Clarify easement status Harry Russell driveway ROW as part of trail system.

# Low Priority

1. Formalize Buck Hill Russell entry: sign and three parking spaces.
2. Complete (old) Town Forest connection with Sleepy Hollow ski area.
3. Create and maintain Parker property trail.
4. Explore the creation of a trail link between Geprags and the library.

# On-going

1. Maintain contact with VT Trails & Greenways Council, Chittenden County Trails Committee (begun in February 2012), and adjacent towns.
2. Keep the work of Trails Committee visible through regular articles in The Record, participation in the 4th of July Parade, info table at Town Meeting, etc.
3. Oversee the maintenance of existing trail net works.
4. Host trail walks and other events.
5. Liaise with Select Board, Conservation Commission, Planning Commission, and town staff.
