Re: Resignation from the Trails Committee, Hinesburg, Vermont

Dear Stewart,

As we had discussed in person, my professional and personal responsibilities make it more-and-more difficult for me to be an active member of the Trails Committee. As a result, I'd like this letter to serve as my resignation from the committee.

I have certainly enjoyed my time working with all members of the committee. It is an exceptionally positive and productive committee. I will especially miss working under your leadership. You contribute so much to the town, and you really help connect people.

I will continue to work on the sign project for the Russell property, as well as write a summary for the SCHIP grant. Perhaps you can "forget" to delete me from your address book so that I will be aware of trail days. I will stay involved as a "civilian" when I can.

Thank you.

Sincerely,

Jason Reed
