RE: Final Design – New Recreational Facility

Amendment

Dear Joe:

As we discussed the evening of November 19, 2012, we are pleased to present this proposal to amend our current contract related to the above referenced project. As we discussed that evening, and as outlined in our Final Phase 2 report for the project dated February 23, 2012, the next step for this project is to prepare the final design plans, including site layout, grading, and landscaping plans as well as the pertinent construction details for the proposed facility. We will also assist the Town in acquiring the needed permits. Below is our estimate of the costs and fees associated with completing the design and permitting for this project as noted in the above report.

Table with 2 columns: Item description and Amount. Items include Town Application Fees, State Wetland Permit, State Act 250 Permit Applic. fee, State Stormwater Construction Permit, State Stormwater Permit Fee, State WW Permit Fee, Department of the Army Archaeological Sub-consultant, Legal Fees, Current Use Program Penalty, Final Engineering/Design/ Misc. Permit Assist., and Contingency -10%.

Estimated Total Cost (with Act 250 Amendment) \$ 34,000

Enclosed please find two copies of our standard Agreement for Professional Services for your review and execution. If this Amendment is acceptable, please return a signed copy of the Agreement for our files. We look forward to the opportunity to work with you and the steering committee again on this important project. Please contact me if you have any questions concerning this proposal.

Sincerely,

Handwritten signature of Doug Henson, L.S.
