

Dear Joe Colangelo and Hinesburg Select Board,
January 3, 2013

I regret that I must resign from the Agency Request Review committee because I will be moving from Hinesburg to Shelburne on May 1. I have enjoyed being part of this committee which has worked conscientiously to consider agency requests. I know this committee is scheduled to come before you on January 7. I hope this letter is timely so that another applicant may be considered for my position.

Sincerely,

Gay Regan
