Hi Joe!

I guess I have been pretty slow to respond to this email... and I apologize! I had a VERY busy end of the year at work.

I am still interested in sitting on the Conservation Commission. I am prepared to start now, in January 2013. I would like to submit my name as a candidate for the Conservation Commission.

Here is a link to my profile on the Coldwell Banker Hickok and Boardman Realty website. This profile provides a good summary of my work experience:

<http://www.hickokandboardman.com/realtors/meg-handler.html>

The quick summary is that I am a real estate agent, with a strong interest in environmental conservation. I donate 10 percent of my income to The Vermont Land Trust. I am active in the Lake Iroquois Association. I have a Green Designation from the National Association of Realtors. I attend as many environmental continuing education classes as possible.

I think my real estate background and volunteer work will be useful to the Conservation Commission. I am prepared to serve out my term and to attend the twice monthly meetings on Monday nights.

Please submit my name to the Hinesburg Selectboard and ask them to approve my appointment to the Conservation Commission.

Thank you for your consideration.

Meg
