RE: Hannaford Supermarket and Pharmacy – Information for Town Approval
Signed Public Works Permit Applications

Dear Mr. Colangelo and Mr. Martin:

In our effort to have the Town of Hinesburg Select Board review and approve information for the Hannaford Supermarket and Pharmacy project's Act 250 application, we have pulled together the following public works allocation requests and permit applications based on our meeting with Rocky on January 15th. They include the following:

1. Town of Hinesburg Buried Utility Permit Application,
2. Town of Hinesburg Driveway or New Road Permit Application,
3. Town of Hinesburg Water/Wastewater Department Service Connection Permit Application, and
4. Town of Hinesburg Wastewater Allocation Request.

We submitted three full sets of the plans to Rocky when Paul O'Leary and I met with him on January 15th. However, if you need additional copies, please let me know.

Our understanding from correspondence with you is that we will be on the February 4th Select Board agenda. We previously submitted the Municipal Impact Questionnaire and draft Stormwater Maintenance Agreement for the Commerce Street Hannaford infrastructure for the Select Board. I have requested that we receive Staff comments on these documents prior to the Select Board meeting so we can work to address them

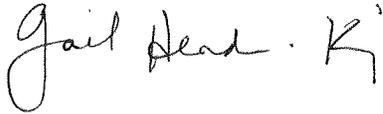

168 Battery St., PO Box 1007 / Burlington, VT 05402-1007 / P: 802.862.1225 / F: 802.862.3601

**TOWN OF HINSBURG
BURIED UTILITY PERMIT**

The Town of Hinesburg hereby agrees that the applicant, Martin's Food of South Burlington, Inc.
may enter upon and bury within the Town's right-of-way the following utility(ies) (check all that apply):

<u>XX</u>	Electric power cable	<u>XX</u>	Wastewater line
<u>XX</u>	Telephone cable	<u>XX</u>	Other utility lines (please specify)
<u>XX</u>	Water line		

on Commerce Street Road to serve Hinesburg Grand List Map and Parcel Number 20-50-02.100, subject to any permits and approvals required by utility companies, and state and local government entities. A map of the approximate location of the utilities is attached.

In consideration of the Town's approval for burial of the specified utilities, the applicant agrees that he/she will, without expense to the Town, repair said line(s) should it be accidentally damaged in the normal course of Town road repairs, maintenance and improvements.

It is further agreed that the applicant will restore the road to its original condition within 10 days of the installation of the utility(ies). At his/her sole expense, the applicant will maintain the road cut in its original condition for one year from the date of this permit. If over the course of the year, the applicant fails to maintain the road cut in its original condition, the applicant will bear all expenses incurred by the Town to restore the road cut to its original condition.
