Jen – I've been dealing with a bad experience with basketball and one of our teams and Colchester. After hashing over a lot of negatives, he wrote this email below. Thought I'd pass it on to you. ☺ (This is a girls 5th/6th grade coach).

Have a good one!

I'm spending too much time focusing on the negative. You know who was great this year? The folks running the Hinesburg Gym were awesome. Their Coach / Ref volunteer officially welcomed the visiting team and families. He called a very good game. He taught the girls the different rules. He even dealt with some grumpy folks in the crowd. I never did find out if he was their regular Ref or a Coach-Who-Also-Refs. And their coaches were super-nice and were really helping their girls.

The Hinesburg folks were top notch.
