Re: Hinesburg Municipal Act 250 Questionnaire – Proposed Hannaford

Dear Natural Resources Board:

The Town of Hinesburg cannot supply immediate fire protection services if an aerial device is necessary for fire suppression, nor can we guarantee the timeliness of an aerial apparatus from a neighboring community, which could, in turn, cause a more extensive loss. Although the Town of Hinesburg does collect fire impact fees for the purpose of purchasing an aerial device, the estimated \$19,351.58 that would be generated from Hannaford is not sufficient for the purchase of an aerial apparatus for Hinesburg.

Sincerely,

Joe Colangelo,
Town Administrator
