Subject: Village Steering Committee Resignation

Joe Colangelo, Town Administrator
Hinesburg Select Board
10632 Route 116
Hinesburg VT 05461

Dear Joe,

I am writing to advise you of my decision to step down from my position on the Village Steering Committee as of April 10, 2013. With my recent appointment to the Planning Commission my volunteer time commitments have been re-focused to the tasks before me on the Planning Commission.

As a member of the Village Steering Committee for the past five years I have been proud to be a part of a board charged with furthering the well being of our Village District. As I step down I leave the board in capable hands with seven engaged and committed members continuing to do the work of advocating for all members of our Village.

I thank you and the Select Board for allowing me to serve our town as a Village Steering Committee member, and I look forward to the challenges ahead as a Planning Commission member.

Respectfully yours,
Aaron Kimball
