Burlington, VT 05401

April 26, 2013

Dear Bill,

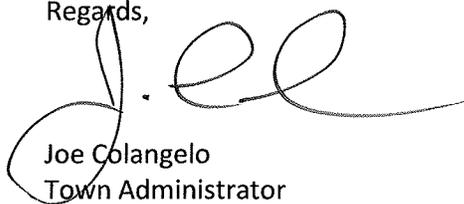

I am pleased to write this letter to express the Town of Hinesburg's support for CCTA's FY14 State funding application.

The successful launch of CCTA's Route 116 commuter route is very exciting. I understand that the service got off to a great start, providing 10,596 rides since April 2012. The service provides a critical link for Hinesburg residents between Chittenden and Addison counties, to many employers and institutions in both counties that our citizens rely on.

We are also excited about the demand-response service in which Hinesburg Rides participates through the Elderly & Disabled program, and we are looking forward to continuing this partnership with CCTA to implement the United Way's new Neighbor Rides volunteer driver program for which Hinesburg Rides is a model.

Hinesburg is very pleased with the successful planning and implementation of the new commuter route and I look forward to our partnership in the coming year to ensure that Hinesburg residents have quality public transportation services available.

Regards,

Joe Colangelo  
Town Administrator
