**Re: Wastewater Allocation, Bissonette Recreation Fields**

Dear Peter:

Hinesburg's Selectboard passed a Motion at their duly scheduled Selectboard meeting on June 24, 2013, allowing a wastewater connection to the Bissonette Family Recreation Area – also known as Lot 5 – in the Town of Hinesburg. This lot is currently outside the Town's sewer service area and the exception is being granted under the authority of Section 4.B.2(c) Town of Hinesburg's Wastewater Capacity Ordinance.

Sincerely,

Joe Colangelo,  
Town Administrator
