To the Hinesburg Selectboard,

It is with regret that I'm writing to tell you that I am resigning from the Hinesburg Conservation Commission. I have served on this commission for about 10 years now. As my work has increased and I have accumulated additional responsibilities both inside and outside of work (including the newly formed Hinesburg Economic Development Commission), I have found myself with less and less time to devote to the Conservation Commission. The current members of the Commission are excellent, enthusiastic people who care very much about the natural resources of the community. I regret leaving the Commission with so few members; I hope that the Town staff will help them to attract some new members. Thank you for the opportunity to serve on this Commission for the past 10 years. I've enjoyed it and wish them the best of luck.

Sincerely,  
Melissa Levy
