Joe - I got the paving numbers for the Richmond Road

Pike - \$ 270,993.60 Per Ton \$ 73.80
ST Paving - \$ 271,103.76 per Ton \$ 73.83

This is to do the 1 " shim this fall (October) then another 1" top in the Spring . There is the possibility it could come in less next spring if fuel goes down .
