Subject: RE: Hinesburg Question_Retaining Wall

Hi Joe:

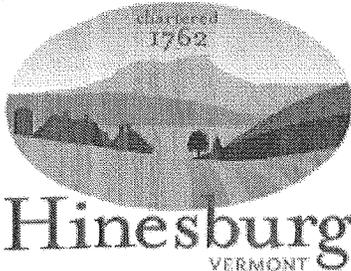

From a property insurance perspective, We would not cover the wall because the wall is not eligible for property coverage, so the town would need to cover that. From a liability perspective (meaning the Town gets sued), It really depends on the circumstances that lead to the collapse of the wall. Our claims department would determine coverage when the claim is submitted.

Joe

So what if the retaining wall collapses or starts to fail?
