Subject: RE: Our Drain Problem has returned at Patriot Lodge!!

Joe,

Our drain is clogged again. Someone from the town needs to check this situation out. This could jeopardize the operation of the Hinesburg Nursery School.

We defiantly know our system is good. We have already spend over \$300.00 on this problem last May. The town should also reimburse us for these cost because the plumbers said it was the Towns Pipe that was BROKEN. Can you PLEASE check this out as soon as possible.

John Parenteau
