Subject: Energy Committee

Hi Joe,

I am writing to request appointment by the Select Board onto the Hinesburg Energy Committee. As a long time Hinesburg resident, I have a strong interest in Hinesburg's future. Securing efficient and sustainable energy at a reasonable cost is critical. I have been an attorney for over 30 years and while only a very limited part of my practice has involved land use and/or energy issues, I would bring a broad-based expertise to potential legal questions that might arise. Thank you for your consideration of this request.
