Joe,

Lela is working to get the file and financial statements together and is estimating about another week or so before she can complete it. As for January 20, I am available that night. It is probably going to be tight to get the draft reviewed and MD & A completed before then but we can shoot for a quick turn around. I'll put it on my schedule.

How are we looking for our draft audit? Also, I would like to schedule a time for you to come to a Selectboard meeting to review the audit with the Selectboard when it's complete. Can we plan on January 20?
