Re: Additional items for discussion on January 6, 2014

The following are items for discussion and consideration at the upcoming January 6th Selectboard meeting in addition to our budget:

1. Will the Town of Hinesburg vote at Town Meeting time to not impose a tax on net metered systems but rather exempt them under Title 24 or Title 32?
2. Will the Town of Hinesburg vote at Town Meeting time to exempt property owned by the Hinesburg Firemen's Association under State Statute 3840?
3. Discussion to eliminate the office of lister and allow the appointment of an assessor. The last session of the Vermont Legislature gave municipalities an option to replace the Board of Listers without adopting a charter.
4. Discussion of an upcoming reappraisal for the Town suggested to begin in 2015 and be completed in 2017.
