Dear Mrs. Hudson:

Our firm represents New Cingular Wireless PCS, LLC d/b/a AT&T Mobility ("AT&T") in connection with a proposed de minimis modification to an existing wireless communications facility (the "Project") located at 249 Leavensworth Road, Hinesburg, Vermont. Please find enclosed an original, one copy and a CD of AT&T's Notice of De Minimis Modification and supporting exhibits, detailing the Project and requesting the Public Service Board issue a Certificate of Public Good for the proposed de minimis modification, pursuant to 30 V.S.A. § 248a(k).

Please let me know if you have any questions relating to the Project or if there are items that AT&T should supplement. Thank you in advance for your assistance with this matter.
