

## Hinesburg Energy Committee

### Budget Proposal for Fiscal Year 2014

The Hinesburg energy committee would like to request a \$750 budget to accomplish the followings projects in 2014:

- Sponsor educational events (\$150)  
Events the energy committee is considering: community solar presentation, energy efficiency workshops, renewable energy generation in Hinesburg, establish an annual energy fair in Hinesburg
- Print advertising for energy committee sponsored events (\$100)
- Educational brochures/flyers (\$150)  
The energy committee plans to create a flyer/brochure that outlines various funding opportunities available for homeowners looking to make energy improvements to their homes.
- Town circulation of educational brochure/flyer (\$300)
- Residential Energy Assessments (\$50)  
A program where energy committee members to perform free energy assessments on homes in town in order to see if the homes would benefit from energy improvements. Funding to be used for modest cost associated with this new program.
