RE: 2007 VT Safe Route to School Infrastructure Grant Program / Hinesburg Village
Route 116 Corridor Improvements

Dear Mr. Kaplan and Task Force Members:

I am writing on behalf of the Hinesburg Community School Board to voice our support of a grant application for the above referenced project.

This project is critical in allowing connectivity to the existing sidewalk network for students of our school. It will allow children to walk to school in a safe environment, and will encourage more students to walk and bicycle to school.

Thank you for your consideration of funding for this important project.

Sincerely,

Paul Lamberson
HCS Board Director
