**Re: Hinesburg Letter of Commitment – VT Department of Health Combined Community Prevention Grant**

Dear Christine:

The Town of Hinesburg Selectboard voted unanimously last night to support Connecting Youth's grant application to the Vermont Department of Health's Combined Community Prevention Grant. The Town of Hinesburg will engage and support Connecting Youth in implementing the healthy community design and complete streets strategies and activities identified in the grant proposal. Hinesburg will assist in engaging key stakeholders to inform resulting decisions and plans. We will participate and provide staff for the Action Team as listed, included but not limited to ensuring appropriate representation in the required quarter one Healthy Community Design Summit.

We appreciate all the great work Connecting Youth does on behalf of our community and look forward to working with you on this exciting project.

Sincerely,

Joe Colangelo,  
Town Administrator
