RE: Wastewater Allocation Renewals
CC: Renae Marshall

At next Thursday's 6/19 meeting you will be discussing 3 wastewater allocation renewals. Allocation Ordinance says that when approved, allocations are good for 3 years and Selectboard may elect to extend them for up to another 3 year period if project is actively being pursued to implementation. I wrote letters to expired allocation holders and received responses from all requesting extensions.

Allocation Holder:	Recommendation:
Green St LLC; 21 SFR & 1 Commercial 4810 gpd total requested	3 year extension to expire 6/30/17
Hinesburg Hillside/Thistle Hill; 3 SFR 630 gpd total requested	3 year extension to expire 6/30/17
South Farm Homes; 3 SFR 630 gpd total requested	3 year extension to expire 6/30/17

Note: SFR = Single Family Residence
