Hinesburg Representative to the Lake Iroquois Recreation District

From: Michelle Fischer

To: Trevor Lashua

Hello Trevor, I would like to resign my position as Hinesburg's representative to the L replacement. I have been representative for about 5 years. The LIRD is actually a mu from each of the towns in which the lake covers: St George, Hinesburg, Williston, and in how the beach/recreation area is handled.

The position I hold is Treasurer, and our representative would need to be willing to hc efficiently, and the rep and treasurer duties are fairly easy and quickly accomplished. from 4:30 to 5 PM at the Williston Town Office at which the reps have a chance to view operations. The treasurer writes out checks the next day or so afterwards (about 6-10 spreadsheet that feeds into a budget for the year. About 1/2 hour to 1 hour per month

Thank you,
Michelle Fischer
