Re: Planning Commission position

Please accept my formal application for a position on the Planning Commission. As most of you know, for some time I have contributed my thoughts about the decisions we have to make to maintain the wonderful quality of life we all experience here in Hinesburg.

I am particularly moved at this time to make my contribution on a more formal basis. Rather than simply attending and speaking at various town meetings — Selectboard, Planning Commission, Development Review Board, etc. — I would like to join the Planning Commission work.

I am prepared to meet with you at your earliest convenience.

Thank you,
jk
