RE: Wastewater Allocation Renewals
CC: Trevor Lashua, Renae Marshall, Erik Bailey

At Thursday's 8/6/15 meeting you will be discussing 3 wastewater allocation renewals. Allocation Ordinance says that when approved, allocations are good for 3 years and Selectboard may elect to extend them for up to another 3 year period if project is actively being pursued to implementation. I wrote letters to expired allocation holders and received responses from all requesting extensions. All three of these have been accounted for in our Reserve Capacity.

Allocation Holder:	Recommendation:
KB Real Estate (Kathy and Brian Busier) 420 gpd, 2 SFR former Riggs farmhouse	3 year extension to expire 6/30/18
Jan Blomstrann 830 gpd, 3 SFR as part of NRG plan	3 year extension to expire 6/30/18
Marie Aube Smith 210 gpd, 1 SFR Pond Rd	3 year extension to expire 6/30/18

Note: SFR = Single Family Residence
