Hi All,

Some good news to start off your Friday morning: the Hinesburg Town Forest was officially listed in the National Register of Historic Places on June 7, 2016:

VERMONT, CHITTENDEN COUNTY,
Hinesburg Town Forest,
Hayden Hill Rd.,
Hinesburg, 15001037,
LISTED, 6/07/16

I'll send out a formal letter and certificate of listing next week, but wanted to share the good news with you now. Thanks for your dedication and hard work to see this one through the process!

Sincerely,
Devin
