## Bissonette Recreational Fields Project Phase I RFP

---

Bidders will be provided with full set of project plans in digital form. Bids on the full project are appreciated but Phase I bids must include the following elements:

- 1) Access road built to construction specs only. 20' wide, 18" thick (include base and sufficient topcoat)
- 2) Parking area built to spec per plans
- 3) Prep work on two multi-purpose fields, including tiling and stockpiling of necessary topsoil.

Note: Box culvert may be bid but installation during Phase I is unlikely.

Company Name	Bid Amount
Green Mountain Siteworks LLC	\$284,656
Access road/parking area: \$136,000 Multi-purpose fields: <u>\$148,656</u> Total: \$284,656
