**- NOTICE OF PUBLIC HEARINGS -  
WATER SUPPLY AND SYSTEM BOND VOTE**

**MONDAYS, 10/6, 10/20, AND 11/3, 2014  
HINESBURG TOWN HALL - 7:00 P.M.**

The Hinesburg Select Board will hold three public hearings on the proposed water supply and system bond vote. **The public hearings are scheduled for Monday, October 6, 2014; Monday, October 20, 2014; and Monday, November 3, 2014.** The hearings will all start at 7:00 p.m., and will be held in the Main Hall of the Hinesburg Town Hall located at 10632 Vermont Route 116, Hinesburg, Vermont.

The proposed \$1,500,000 bond is for the acquisition of two new wells, construction of the necessary water supply and treatment infrastructure, and connection to the existing water distribution system. The two new wells are located on the Wainer property (accessed off of Shelburne Falls Road), and would replace the existing wells as the primary water supply for water system users in the village area. Information on the project is available on the Town's website ([hinesburg.org](http://hinesburg.org)) and in the Town Clerk's office.

**The bond vote will be by Australian ballot on Tuesday, November 4, 2014,** the day of the General Election. Polls will be open from 7:00 a.m. to 7:00 p.m. in the Main Hall of the Hinesburg Town Hall located at 10632 Vermont Route 116, Hinesburg, Vermont. Ballots will also be available for absentee or early voting – please contact the Town Clerk's office at 482-2281, ext. 223 or 224 to request a ballot.

Questions about the project can be directed to Director of Buildings and Facilities Rocky Martin or Town Administrator Trevor Lashua.
