- *Town Vote on Proposed Act 46 Consolidation* - A town vote on the proposed Act 46 consolidation of all of the schools in the Chittenden South School district is scheduled for June 7, 2016 from 7 a.m. to 7 p.m. You can vote early anytime between now and then by coming in to the town clerk's office or calling and requesting that we mail you a ballot. This vote will consolidate all schools in the District under the governance of one board whose members will be elected on the same date. Membership on the new Champlain School District Board will be apportioned based on population. Hinesburg will have 2 members and we have two people running for the 2 seats. Ray Mainer is running for the 3 year term and Colleen MacKinnon for a 4 year term. Once these terms are served, they will both be 3 year terms elected in different years. This all assumes that the proposed merger is approved. If not, the proposed consolidated school district will not go forward at this time. For more information please see <http://act46.cssu.org/home>.

Your sticker must be affixed to the driver's side front bumper in order to be valid.
