Town Clerk's Office

- *Voting* - Early voting has begun. The ballots are here and voters are welcome to come in to vote at any time we are open between now and Election Day, which is November 8th. Voting early helps to alleviate congestion at the polling place and is simply a convenient way to insure that you don't forget or have some unforeseen circumstance that prevents you from casting your ballot. If, for example, you came in to vote on Election Day and weren't on the checklist, you might not be able to cast your vote in Hinesburg. The easiest way to register to vote is through the new on-line voter system on the Vermont Secretary of State's website. Just go to www.olvr.sec.state.vt.us and check your status and change your registration to your current town of residence if needed.

You can also call the Town Clerk's office at 482-2281 ext. 223 to request a ballot, or e-mail me at mross@hinesburg.org . Please feel free to call with any election related questions you might have.

EXHIBITS AND DISPLAYS AT THE LIBRARY

- *Art Exhibit WWII Paintings by Nat Bellantone* - Those with an interest in history, military servicemen or art will want to visit the library to view the Nat Bellantone collection. We are pleased to share a collection of watercolors and sketches painted by Navy Seabee Nat Bellantone during his wartime years in the South Pacific. The artwork documents everything from troopships and fighter planes to scenes of native culture; Bellantone's artworks are a poignant visual diary, documenting the slice-of-life reality for many of the men who served overseas during the Second World War. Mixed with artifacts from that time, this display honors the contributions of the Greatest Generation, and will be up through the beginning of October.

Library staff will replenish bookshelf contents with fresh titles from time to time. The folks at the Carpenter-Carse Library are stewards of the Town Hall Little Library.
